Twenty Apex ENGINEERS at the PRE-RACE BRIEFING, linked by headsets, studying laptops. Joshua studies a laptop too.

KATE

Our models predict all teams are going to be targeting a one-stop race. Plan A is to switch from Mediums to Hards between Lap 27 and 33. Plan B will be Medium-Hard-Medium. First window 16 to 21. Second 45 to 51. Plan C for softs doesn't make sense. At this temp, the tire deg will be too high.
